TC-OHRM-WEB-LA-004	<input checked="" type="checkbox"/> PASS	System prevents past date leave applications	None
TC-OHRM-WEB-LA-005	<input checked="" type="checkbox"/> PASS	System validates date range correctly	None

## **Bugs Found During Manual Testing:**

### **Bug #1: Date Picker UI Issue**

- Severity: Low
- Priority: Low
- Description: Date picker calendar occasionally overlaps with other form elements
- Steps to Reproduce:
  1. Login to system
  2. Navigate to Leave > Apply Leave
  3. Click on From Date field
  4. Observe calendar positioning
- Expected: Calendar should display without overlapping
- Actual: Calendar sometimes overlaps with form fields

### **Bug #2: Page Load Performance**

- Severity: Medium
- Priority: Medium
- Description: Apply Leave page takes 3-5 seconds to load completely
- Steps to Reproduce:
  1. Login to system
  2. Click on Leave menu
  3. Click on Apply submenu
  4. Observe loading time
- Expected: Page should load within 2 seconds
- Actual: Page loads in 3-5 seconds
